Call for abstracts

We cordially invite you to submit your abstracts for poster presentation to the **Dreiländertreffen Herzinsuffizienz (6.-8. October 2022, Graz)**. There will be **best basic and clinical poster awards**. We are looking forward to receiving your contributions for the scientific program and would like to thank you in advance for your support!

Abstract Deadline: August 31st 2022

Abstract must be sent to abstracts@dach-herzinsuffizienz.at

We recommend you structure your abstract using the following headings:

Category: Clinical/basic Science

Background/Introduction

Purpose

Methods

Results

Conclusion(s)

The abstract should be written in German or English language and not exceed 250 words.

All abstracts will be reviewed by members of the Abstract Reviewing Committee. Our intent is to be most inclusive of the quality science received without compromising scientific integrity.
